# CONTENTS

No. 1. MAY 1942

|  | PAGE |
|--|------|
| NKMAN AND A. VAN SCHREVEN, A simple colorimetric micro-method for determining the oxygen content of watery solutions. (With One Text-figure)       | I    |
| SHEN, Neural induction in epidermal explants in liquid medium. (With One Plate)  | 5    |
| WILLMER, The localization of phosphatase in cells in tissue cultures. (With One Plate)   | 11   |
| TMANN, L. GUTTMANN, P. B. MEDAWAR AND J. Z. YOUNG, The rate of regeneration of nerve. (With Seven Text-figures)                                    | 14   |
| W. BARRINGTON, Blood sugar and the follicles of Langerhans in the ammocoete larva. (With One Plate and One Text-figure)                            | 45   |
| WIGGLESWORTH, The storage of protein, fat, glycogen and uric acid in the fat body and other tissues of mosquito larvae. (With Eleven Text-figures) | 56   |
| FOGG, Studies on nitrogen fixation by blue-green algae. I. Nitrogen fixation by <i>Nabaena cylindrica</i> Lemm. (With Two Text-figures)            | 78   |
| EARNETT, Observations on the distribution of ascorbic acid (vitamin C) in explanted cells. (With One Text-figure)                                  | 88   |
| WHITNEY, Diurnal fluctuations of oxygen and pH in two small ponds and a stream. (With Two Text-figures)  | 92   |

No. 2. OCTOBER 1942

|  |     |
|--|-----|
| WADDINGTON, Some developmental effects of X-rays in <i>Drosophila</i> . (With Eleven Text-figures)   | 101 |
| LCUTT, The effects of some oestrogenic substances and cyclic hydrocarbons on the rate of growth of cells   | 118 |
| GUNN AND C. A. COSWAY, The temperature and humidity relations of the cockroach. VI. Oxygen consumption. (With One Text-figure)   | 124 |
| GUNN AND B. M. WALSHE, The biology and behaviour of <i>Ptinus tectus</i> Boie. (Coleoptera, Ptinidae), a pest of stored products. IV. Temperature preference. (With Two Text-figures)                                      | 133 |
| ENIGMANN, The alternation problem in animal psychology. Experiments with fowl  | 141 |
| AGAR, F. H. DRUMMOND AND O. W. TIEGS, Second report on a test of McDougall's Lamarckian experiment on the training of rats   | 158 |
| WHITNEY, The relation of animal size to oxygen consumption in some freshwater tubellarian worms. (With Two Text-figures)   | 168 |
| WELLS AND I. C. LEDINGHAM, Studies on the physiology of <i>Arenicola marina</i> L. I. The potassium relations of the isolated extrovert (with remarks on the effects of varying the lever weight). (With Six Text-figures) | 176 |
| PHILLIPSON, The fluctuation of pH and organic acids in the rumen of the sheep. (With Two Text-figures)   | 186 |
| PHILLIPSON AND R. A. MCANALLY, Studies on the fate of carbohydrates in the rumen of the sheep  | 199 |

## No. 3. DECEMBER 1942

|   |  |
|---|--|
| ERIC PONDER, Shape transformations in the red cells of camels, birds, reptiles, amphibia, and fishes . . . . .  |  |
| ERIC PONDER, Quantitative aspects of the disk-sphere transformation produced by lecithin. (With One Text-figure) . . . . .                                      |  |
| A. F. W. HUGHES, The blood pressure of the chick embryo during development. (With Four Text-figures) . . . . .  |  |
| HANS KALMUS, Narcosis and asphyxiation in some species and mutants of <i>Drosophila</i> . (With Eight Text-figures) . . . . .                                   |  |
| X C. A. G. WIERSMA AND E. NOVITSKI, The mechanism of the nervous regulation of the crayfish heart. (With One Plate and One Text-figure) <i>pg 255</i> . . . . . |  |
| M. ABERCROMBIE AND M. L. JOHNSON, The outwandering of cells in tissue cultures of nerves undergoing Wallerian degeneration. (With One Text-figure) . . . . .    |  |
| C. H. WADDINGTON, Observations on the forces of morphogenesis in the amphibian embryo. (With Two Text-figures) . . . . .  |  |
| C. F. A. PANTIN, The excitation of nematocysts. (With Three Text-figures) . . . . .   |  |
| A. C. CROMBIE, The effect of crowding upon the oviposition of grain-infesting insects. (With Five Text-figures) . . . . .                                       |  |
| Index to Subjects . . . . .   |  |
| Index to Authors . . . . .  |  |

## ERRATUM

Vol. XIX, No. 2, Contents on Wrapper
